The times when this sum becomes payable, may be seen by referring to the schedule of the City Debt, accompanying this Report.

It will be observed that there has been an increase of the City Debt the past year of \$28,155 55, of which \$20,000 was expended on the new School-house and land on Gore Avenue, and repaving Washington Street and other repairs on the streets of the City caused the remainder of the increase.

There still remain in the Treasury, notes of sundry individuals secured by mortgage, amounting to the sum of \$15,765 10, which, as they become due, will be appropriated to the liquidation of the City Debt as directed by the City Council.

**FOREST HILLS CEMETERY.** The Act of the Legislature requires that the proceeds of sales of lots or rights of burial, in Forest Hills Cemetery, shall be paid into the Treasury of the City, to be kept separate from any other funds of the City, and subject to the order of the Commissioners. The proceeds are to be devoted to the liquidation of the debt incurred in the purchase of the land, and for improving and embellishing the grounds.

The times when this sum becomes payable, may be seen by referring to the schedule accompanying this report.

Your Committee deem it their duty to comment on the tendency of some of the disbursing departments to expend more than the amount appropriated, at the beginning of the fiscal year, for their several uses. It is earnestly hoped that this freedom may hereafter be restrained, and that the expenditure of each department

may be rigidly kept within the sum allowed. Without this care, as there would be no limit to expense, so there will be no limit to taxation; and the making appropriations at the beginning of the year becomes a frivolous and unmeaning ceremony.

Another topic demands at least a passing notice. Those who would promote the future settlement and prosperity of our City, will direct their municipal labors to the equalizing and reducing the rate of taxation.

In a review of advantages and objections affecting the choice of a new place of residence, a prominent consideration will be the proportion of the public expense to which the new comer may be subjected. In this view of our future interest, a close economy becomes our sound policy. And it is equally wise and provident for us to take care that there be no objection founded upon any inequality in the distribution of the public money, or of the individual burden which is the consequence of public expense. A system of exact economy and of equal taxation is the dictate, alike, of policy and justice.

For the Committee,

CHARLES BUNKER, *Chairman.*

*Roxbury, February 19, 1855.*

It is proper to remark, that the foregoing charge of more than \$11,000 for the support of poor, includes all the expenses for improving Brook Farm and carrying on farming operations for the year. By vote of the City Council, the paupers will be removed to the Highland Street Almshouse as soon as practicable. In view of the diminished number in the house, and the greater economy of supporting them at the proposed location, the Board are of the opinion that an appropriation of \$3,000 will be sufficient for this Department, for the ensuing year.

The Superintendent and Physician have discharged their several duties, to the acceptance of the Board. Their Reports, giving a detailed account of matters relating to the Department of the Poor, are herewith submitted.

JAMES RITCHIE,

*Mayor, and Ex-officio Chairman of the  
Board of Overseers of the Poor.*

| Pork, raised and killed, | 22,000 lbs. |

N. B. Forty tons of the Hay was sold standing in the field. The remainder, with the Barn, two hundred bushels of Rye, ten tons of Rye Straw, three Horses, three Oxen, one Cow and Calf, and all the small Farming Utensils, were totally destroyed by fire on the night of August 8th, 1854.

The grounds cultivated, produce very well, considering the drought we had during the months of July and August.

I planted three acres to corn, three to potatoes, and three to carrots and other vegetables.

The farm is in a good state of cultivation. I sowed six acres to grass-seed the past Fall, with the ground in a good condition for a crop. I also sowed six acres to rye and grass-seed. I think, if the City does continue to work the Farm, they will find it very necessary to build a Barn as early in the Spring as possible.

There is a large quantity of good Manure on hand, ready for use in Spring; there is also a large lot of vegetable Muck, that was taken from the meadow the past Fall, ready for use.

I have also prepared most of the ground for planting next Spring. The most of the work done on the Farm the past season, has been done by men hired, as not many of the inmates are able to labor much.

The Physician, Dr. Allen, has attended to his duties faithfully, and with good results. I have always found him ready at any time, by day or night, to come to the relief of the sick and suffering, and attend to them personally until they were relieved.

For a further statement of the Medical Department, please see Physician's Report.

Respectfully snbmitted,

EZRA YOUNG,  
*Superintendent of Almshouse.*

In June, there were eight persons came from this City to the House sick with ship fever. There have been six cases of typhoid fever in the

House, and twelve cases of small pox and varioloid ; the others have been of various diseases. Since the City caused the sick State paupers to be removed to the State Almshouse, the duties of the Physician have been greatly increased. In the City, the most of the persons applying for relief have been visited by the Physician, and if unable to be removed, they have been attended to until sufficiently recovered to be removed to the State Almshouse, or able to take care of themselves. During the contagious and infectious diseases at the Almshouse, the Superintendent and wife have given their personal attendance, and rendered every assistance to those under their care to make them comfortable, and every precaution to prevent and intercept the further spread of the disease now in the House.

With respect, Gentlemen,

I remain your obedient servant,

IRA ALLEN,

*Physician to the Almshouse.*

## OF THE

### COMMISSIONERS OF FOREST HILLS CEMETERY.

THE Commissioners of Forest Hills Cemetery, in conformity to the fifth section of "An Act relative to a Public Cemetery in the City of Roxbury," respectfully submit their

#### SEVENTH ANNUAL REPORT.

In consequence of the demand for lots in the Cemetery during the year ending January 31st, 1854, as mentioned in our last Report, there were at the commencement of the last year no finished lots on hand for sale. It was therefore deemed important by the Commissioners that the number of laborers should be increased, and the work of trenching and preparing lots should be urged forward. This was accordingly done ; so that as early in the Spring as the season would permit, some fifty or sixty lots were finished for use. And yet the demand kept in advance of the work, so that most of the lots were sold before they were completed. To meet this continued call for lots, and to carry forward the improvements in the Cemetery previously commenced, has required a larger number of workmen than has been employed in any previous year. The average number of laborers employed during the year has been about fifty.

In this time one hundred and forty-one lots have been graded, and finished with stone posts and sodding, and the borders planted with trees and shrubs. Of this number one hundred and twenty-

seven, averaging  $324\frac{1}{2}$  feet each, have been sold; leaving fourteen lots unsold to supply the demand till others can be prepared.

Sixty other lots have been trenched and put in readiness to be finished at the opening of the Spring.

In the Field of Machpelah 150 GRAVES have been trenched, finished and numbered; the number of each being placed upon a piece of flag-stone at the end of the grave next to the path;—115 have been sold, and there are 100 finished graves on hand for sale, towards supplying the demand for the coming year.

A good degree of progress has been made the last season in the grading and improvement of AVENUES and PATHS. The loam has been removed from 1,540 feet of the Avenues and 1,500 feet of the Paths, and the same thoroughly relaid with stone and gravel. This, added to what had been previously done, makes the whole extent of Avenues and Paths, completed in this durable manner, as follows, viz., Avenues,  $1\frac{1}{4}$  miles and 57 rods; Paths, more than  $2\frac{1}{2}$  miles.

During the very dry season of the last summer, LAKE HIBISCUS was enlarged 20,000 square feet by excavation. The material removed from the Lake was employed to grade lots which were trenched and prepared to receive it.

Another Island has been formed in the Lake, called "SWAN ISLAND," which is 240 feet in circumference, and a substantial wall built around it. The wall on the border of the Lake also has been extended 120 feet.

The Commissioners have the satisfaction also to report a general progress in the improvements of the Cemetery, in the erection of Monuments and enclosing of lots by substantial and tasteful fences.

Thirty-five MONUMENTS have been erected, varying in cost from \$100 to \$1,200 each; besides which, Monumental Scrolls and Slabs have been placed in private lots.

Sixty-three lots have been enclosed with iron fences, and twelve with hedges.

Seven family tombs have been constructed, at a cost varying from \$150 to \$550 each.

The whole number of interments made during the year in private lots and in the Field of Machpelah, was 365.

The Commissioners during the year have reduced the face of the notes given by the City for the purchase of land for the Cemetery, by the payment of \$2,000 of the principal, which, added to the sum of \$8,894.67, before paid, amounts to \$10,894.67. The unpaid notes, given by the City for Cemetery grounds, now amount to the sum of \$26,000.

The Commissioners have for a long time been subjected to great inconvenience and expense, which necessarily increased with the increase of laborers in the Cemetery, by being obliged to send their drills and picks a long distance to be properly sharpened. This evil they resolved to remedy by erecting a blacksmith's shop on the most southerly corner of the Cemetery grounds, near Canterbury Street, for which a contract was made more than a year since. This building has been erected at a cost, including the foundation and some necessary tools, of about \$800.

The removal of the Barn and Shed to a central and convenient location, and fitting them up for use, as mentioned in our last Report, was effected at a cost of \$314. Both of these sums have been paid the last year.

The Commissioners feel constrained, no less than in past years, to notice the increasing evidence of a wider and deeper interest in the enterprise committed to their supervision and trust. This interest is the witness of two important facts. One is the natural beauty and attractiveness of the grounds now known as "Forest Hills Cemetery." Under the industrious care of our efficient Superintendent, Mr. Brims, the beauties of this spot are annually developing, and his tasteful hand gradually embellishes and renders it lovely as the resting-place of the dead; while its springing flowers and shady walks, embosoming the still precious dust and hallowing the slumbers of the departed, can hardly fail to prove a kindly monitor of that immortality of which the sleeping shall be partakers.

And it is a significant and monitory fact, that its annually multiplying tenantry are giving to it, with every passing year, an interest in new hearts and new homes, as well as a firmer hold upon those already accustomed to its solemn teachings. It is the witness of the steady inroads which the "mighty conqueror of all" is making among and around us; bringing sad hearts with increasing frequency to drop their tribute of remembrance and affection at the grave of "them that sleep;" and thus giving to "Forest Hills Cemetery" a hallowed place among the tenderest associations of many a domestic circle.

In closing their Report, the Commissioners would express their indebtedness to J. W. Dudley, City Treasurer, and J. W. Tucker, City Clerk, for the faithful discharge of their respective duties, by which the aims of the Commissioners have been greatly promoted.

## A N A C T

In addition to An Act relating to a Public Cemetery in the City of Roxbury.

*Be it enacted by the Senate and House of Representatives, in General Court assembled, and by the authority of the same, as follows :*

SECT. 1. The board of commissioners of the rural cemetery in Roxbury, elected by the city council, pursuant to an act approved March 24, 1848, are authorized to take and hold any grant, donation or bequest of property, upon trust, to apply the same, or the income thereof, for the improvement or embellishment of the said cemetery, or for the erection, repair, preservation or renewal of any monument, fence or other erection, or for the planting and cultivation of trees, shrubs or plants, in or around any lot, or for improving the said premises in any other manner or form, consistent with the purposes for which said cemetery is established, according to the terms of such grant, donation or bequest. And whenever any such grant, donation or bequest, or any deposit shall be made by the proprietor of any lot in said cemetery, for the annual repair, preservation or embellishment of such lot and the erections thereon, the said commissioners may give to such proprietor, or his representative, an agreement or obligation, in such form and upon such terms and conditions as they may establish, binding themselves and their successors to preserve and keep in repair said lot forever, or for such period as may be agreed upon.

SECT. 2. Any sums of money, so received by said commissioners, shall be invested by the city treasurer of Roxbury, under the direction of said commissioners, in public stocks or mortgages of real estate, and all such property, received under the provisions of the foregoing section (unless other provision is made by the terms of any such grant, donation or bequest), shall be made under the charge of said city treasurer, but shall always remain separate from and independent of any other moneys or property belonging to the city of Roxbury, and free from the control of the city council. And the income of such fund, or funds, shall be received by said treasurer, subject to the order of said commissioners, and shall be appropriated by them in such manner as shall, in their opinion, best promote the purposes for which said grants, donations, bequests or deposits are made.

SECT. 3. The city of Roxbury shall be responsible for the good faith of said commissioners, and the treasurer of said city, in the execution of any trust which they may assume pursuant to the foregoing provisions. But said commissioners shall not be liable to make any renewal or reconstruction of any monument, or other erection on any lots in said cemetery, unless such liability shall be expressed in the agreement given by them as aforesaid, or in the terms and conditions under which they accept any grant, donation or bequest.

SECT. 4. This act shall be void, unless the city council of Roxbury shall accept the same, at a meeting of said council called for that purpose, within thirty days after its passage.

SECT. 5. This act shall take effect from and after its passage. [*Passed Feb. 25, 1852.*

WHEREAS, the Commissioners of the Forest Hills Cemetery have prepared a form for the conveyance of lots in said cemetery, hereinafter set forth, and have advised that the same be approved and adopted by the city council, therefore

*Be it ordained by the City Council of the City of Roxbury, as follows :*

SECT. 1. The form of the deeds to be executed for the conveyance of lots in Forest Hills Cemetery, by the commissioners of said cemetery, shall be as follows, viz. :

KNOW ALL MEN BY THESE PRESENTS, That the city of Roxbury, in the county of Norfolk and commonwealth of Massachusetts, in consideration of ——— dollars, paid to it by ——— ———, the receipt whereof is hereby acknowledged, doth hereby grant, bargain, sell, and convey to the said ——— ———, heirs and assigns, one lot of land in the rural cemetery in said Roxbury, called the Forest Hills Cemetery, situated on the way called ———, and the sole and exclusive right of burial of the dead therein : The said granted lot contains ——— superficial square feet, and is numbered ——— on the plan of said cemetery, which is in the possession of the board of commissioners having the care, superintendence and management thereof, and may be inspected by the said grantee, his heirs and assigns, at all reasonable times. To have and to hold the aforegranted premises unto the said ——— ———, heirs and assigns forever ; but subject to the restrictions, limitations and conditions, and with the privileges following, viz. :

*First.* That the proprietors of the said lot shall have the right to enclose the same with a wall or fence, not exceeding one foot in thickness, which may be placed on the adjoining land of the said city, exterior to the said lot.

*Second.* That the said lot shall not be used for any other purpose than as a place of burial for the dead ; and no trees within the lot or border shall be cut down or destroyed, without the consent of the said commissioners.

*Third.* That the proprietors of said lot shall have the right to erect monuments, cenotaphs, or stones, commemorative of the dead ; or to cultivate trees, shrubs or plants in the same.

*Fourth.* That the proprietor of said lot shall erect, at his own expense, suitable landmarks of stone or iron at the corners thereof, and shall cause the number thereof to be legibly and permanently marked on the premises; and if the proprietor shall omit for thirty days after notice to erect such landmarks and to mark the number, the commissioners shall have authority to cause the same to be done at the expense of said proprietor.

*Fifth.* That if any trees or shrubs in said lot shall become in any way detrimental to the adjacent lots or avenues, or dangerous or inconvenient, it shall be the duty of said commissioners for the time being, to enter into said lot and remove said trees or shrubs, or such parts thereof as are thus detrimental, dangerous or inconvenient.

*Sixth.* That if any monument, or effigy, cenotaph, or other structure whatever, or any inscription, be placed in or upon the said lot, which shall be determined by a majority of the said commissioners for the time being, to be offensive or improper, the said commissioners, or a majority of them, shall have the right and it shall be their duty to enter upon said lot and remove said offensive or improper object or objects.

*Ninth.* The said lot shall be indivisible; and upon the death of the grantee, the devisee of said lot, or the heir at law, shall be entitled to all the privileges of the original grantee; and if there be more than one devisee or heir at law, the said board of commissioners shall designate which of said devisees or heirs at law shall then exercise the right of using said lot, which designation shall continue in force until by death or removal, or other sufficient cause, another designation shall become necessary; and in making such designation said commissioners shall, as far as they conveniently may, give the preference to males over females, and to proximity of blood and priority of age; having due regard, however, to proximity of residence.

*Tenth.* The said lot shall be holden subject to all by-laws, rules and regulations made and to be made by the said board of commissioners, in pursuance of authority granted to them in and by any act or acts of the Commonwealth of Massachusetts.

And the said city of Roxbury hereby covenants to and with the said ———, heirs and assigns, that the said city is lawfully seized in fee simple of the aforegranted premises, and of the ways leading to the same from the highway, that the granted premises are free from all incumbrances, that the said city hath good right to sell and convey the

same to the said ———, in the manner and for the purposes aforesaid, and will warrant and defend the same unto the said ———, heirs and assigns forever.

IN WITNESS WHEREOF, the said City of Roxbury hath caused these presents to be signed by ———, the chairman of the said board of commissioners, to be countersigned by ———, their secretary, and ———, the treasurer of the said city, and to be sealed with its common seal, this ——— day of ———, in the year of our Lord eighteen hundred and ———.
